

Great thoughts from Pastor Jack Trieber
2013 North Valley Youth Conference

Building a great youth group:

1. Sing a lot.
2. Strong preaching, not principles and lessons -- hard, direct, compassionate preaching
3. Holiness - not worldliness
4. Modesty -- you'll never get a strong youth group when the girls are dressed sensuous, looking like they are for sale. When the dress is wrong, your youth group is corrupt.
5. Service - do something: grounds, buildings, bus routes, and soul winning.
